A home away from home

Step into a warm and inviting space designed to feel just like home. Our suite features a fully equipped kitchenette, a cosy living area and bedroom, providing you with all the amenities you need to live comfortably and independently. Fully serviced with cleaning, washing, ironing and shopping to take the pressure off your loved ones so they can enjoy being family, not carers.

- **Fully equipped kitchenette:** Stocked with snacks and drinks of your choosing for ease of access. On site food preparation, shopping and meal planning to suit every budget and taste.
- **Comfortable living area:** Relax and unwind in a bright and airy living area tailored to you.

- **Bedroom:** Rest in a tranquil bedroom with plush bedding and ample storage space.
- **Modern wet room:** Enjoy the convenience of a fully accessible bathroom with grab bars and a walk-in shower.

Personalised care and support

Our dedicated team is here to provide the care and support you need, when you need it. Whether it's daily assistance with personal tasks or occasional help, we're committed to ensuring your stay is as comfortable and stress-free as possible.

- **24/7 on call assistance:** Access professional support and emergency care around the clock.
- **Customised care plans:** Receive care tailored to your needs and preferences.
- **Health and wellness service:** Benefit from in-suite occupational therapy and a holistic approach to recovery which is designed to aid your recovery and promote independence.

A Safe and Secure Environment

Your safety and wellbeing are our top priorities. Our suite is warden controlled, equipped with advanced safety features and monitored security systems to provide you and your loved ones with peace of mind.

- **Emergency Call Systems:** Easy to reach emergency call buttons in every room.
- **Secure entry and exit:** Controlled access ensures a secure living environment.
- **Regular safety checks:** Warden controlled which includes routine inspections and maintenance to keep everything in top condition.
